

JOB VACANCY: ARTWORK DESIGNER - THESSALONIKI

INDEVCO Group in Greece www.indevcogroup.com is looking for **Artwork Designer** for one of its companies in **Thessaloniki** to create graphic design solutions by developing creative ideas and concepts to satisfy customer needs.

Job Requirements:

- Bachelor degree in graphic design, visual arts, or related field
- Minimum 3 years of experience in graphic design
- Proficiency in design software such as Photoshop, Illustrator, and other related software
- High level sense of design, layout, typography and colours; able to offer a variety of design solutions
- Good knowledge of print processes and standards
- Knowledge in the corrugated packaging industry is a plus
- Strong creative, organizational, problem solving and time management skills
- English Language is necessary
- Greek resident

Duties:

- Manage information systems toward business units & operations
- Create artwork designs based on customer request to meet their requirements
- Transfer or copy received design from customers and adjust it based on the customer instructions to meet their requirements
- Request approval from customer for artwork designs for proper record keeping
- Put on the system the design's details and input prices for standard designs or based on sales instructions
- Study the design to confirm production ability based on machine limitations and coordinate with sales regarding any difference
- Issue new or repeat cliché request and ensure their availability for production
- Review the received clichés; specs, designs... and make sure that they conform to the requirements and inform the cliché maker to proceed

Interested candidates can send their CVs to antoine.akl@indevcogroup.com
