

Become a member of the Global Shapers Thessaloniki Hub

Global Shapers Thessaloniki Hub is a member of the **Global Shapers Community**, an initiative of the **World Economic Forum**. We are an organization coordinated by **young people, 20 to 29** years old, operating as a social innovation catalyst and a creative platform for young leaders to cooperate and co-create the future of our city.

Through our research, projects, and local collaborations, **we aim to contribute to the solution of current and anticipated challenges**, leverage opportunities, catalyze the creation of new ones, and pave the way for the next generations of change-makers.

Our current project is "Thessaloniki: Thrive Academy". This project aims to address young people's employability challenges and includes a Community of experts and young professionals on Slack, where people share their insights and experiences about anything related to Career Success and a series of Educational and Coaching programs about Career Readiness & Resilience.

Our Hub is growing and **we're looking for young individuals** that will contribute to our vision and will actively take part in our projects.

The open positions are:

- Content Creator
- Graphic Designer
- Sponsorship Coordinator
- Researcher
- Program Manager

If you:

- Are 20-29 years old
- Are eager to have a positive impact in Thessaloniki
- Have an innovative way of thinking
- Want to develop a professional network
- Have experience with any of the open positions

apply to join our Hub!
