

As part of the DTS Group, DTS CLOUD SECURITY MonEPE supports customers, as an established IT service provider, in the focus areas data center, technology and security. With our two own certified German data centers and over 350 employees at 14 locations in Germany and Greece, we offer customers versatile, innovative and hybrid solutions. Flat hierarchies, friendly atmosphere, sustainable personnel development and an open-door culture - that's DTS.

IT Systems Administrator (m/f/d) - VMware

Location: Athens or Thessaloniki

Time: Immediately

Type of employment: Full-time, permanent contract

Your Tasks

As IT Systems Administrator (f/m/d) - VMware you are responsible for the conception, construction and operation of customer environments in the data center/cloud as well as our internal infrastructure with a focus on VMware. The following activities fall within your area of responsibility:

- You take care of the continuous operation of cloud infrastructures for our national and international customers
- You will take on administrative and planning tasks in the VMware environment in our data centers
- You support our customers with support requests and take care of troubleshooting (2nd / 3rd level support)
- In order to guarantee a smooth process, you document your processes in our applications
- In addition, you will bring our products and services closer to our customers by preparing and conducting technical product demonstrations and workshops

Your Know-how

- Completed vocational training or studies in the IT sector or comparable professional experience
- Well-founded knowledge in dealing with VMware technologies such as Horizon, NSX, vSAN and/or VSphere
- First experience in technical project management
- Enthusiasm for system administration
- Fluency in written and spoken English

Your Personality

- High degree of service orientation
- Excellent teamwork and communication skills
- Independent, structured and analytical way of working
- A certain degree of willingness to travel

We Offer

- Team-oriented working environment and a variety of tasks
- We provide private health insurance for our employees
- Space for your own ideas
- Intensive training (approx. 4 to 6 months) in Germany at our expense (depending on the development of the Covid-19 regulations)
- One monthly flight back during the training period
- Compatibility of family, leisure time and career
- Continuous opportunity for personal and professional development
- An accompanied gentle introduction

Become part of our team and bring in your professional knowledge as well as your positive personality traits!

Have we aroused your interest? If so, we look forward to receiving your detailed application, stating your desired (gross) salary and the earliest possible starting date.

Do you have any further questions about your career at DTS? Please give us a call!
