

As part of the DTS Group, DTS CLOUD SECURITY MonEPE supports customers, as an established IT service provider, in the focus areas data center, technology and security. With our two own certified German data centers and over 350 employees at 14 locations in Germany and Greece, we offer customers versatile, innovative and hybrid solutions. Flat hierarchies, friendly atmosphere, sustainable personnel development and an open-door culture - that's DTS.

## Software Developer – Backend (m/f/d)

**Location:** Athens or Thessaloniki

**Time:** Immediately

**Type of employment:** Full-time, permanent contract

### Your tasks

- Realization of applications for the automation of our infrastructure, cloud and security areas and connected backend systems
- Contribution of creative ideas for new and further developments
- Independent and/or joint design and implementation of automations
- Orchestrating in the environment of the DTS Security Operation Center
- Development of requirements together with the operating team
- Collaborative development of interfaces
- Frequent exchange within the development team

### Your profile

- Knowledge of programming languages such as C#, Python, JavaScript or TypeScript
- Knowledge in software testing and understanding of software development processes
- Enjoy learning new languages and approaches
- Structured and solution-oriented way of thinking
- Distinct ability to work in a team and passion for modern IT
- Fluency in written and spoken English

### Our offer

- Team-oriented working environment and a variety of tasks
- We provide private health insurance for our employees
- Time to explore new environments, identify and work on solutions
- Space for your own ideas
- Intensive training (approx. 4 to 6 months) in Germany at our expense (depending on the development of the Covid-19 regulations)
- One monthly flight back during the training period
- Compatibility of family, leisure time and career
- Continuous opportunity for personal and professional development
- An accompanied gentle introduction

Become part of our team and bring in your professional knowledge as well as your positive personality traits!

Have we aroused your interest? If so, we are looking forward to receiving your compelling application, stating your desired (gross) salary and the earliest possible starting date.

Do you have any further questions about your career at DTS? Please give us a call!
