VPN Configuration Instructions Android

Dept. of Information &
Telecommunication Systems & Services, IHU

VPN Setup and Connection

Please navigate to the VPN settings of your Android smartphone and apply the settings shown below.

As a username, enter your VPN username. **It is the same as your uregister (elearning) username, although the account is different.**

As a password, enter your VPN account password. To set up your VPN password (it is not your uregister password), visit the following page:

https://support.ihu.edu.gr/reset_password/

New VPN Connection
