How to get your login credentials (2/2)

Your IHU UCIPS Accounts

This process is for students at [IHU UCIPS](#) and for their first access to their accounts. If you already have access, please [click here](#) and choose the password reset options

Step 1: Uregister account

Complete this step first before moving on to Steps 2 and 3

[🔗 Activate your uregister account](#)

Step 2: E-mail

[🔗 Activate your Email account](#)

Step 3: Log in to the e-learning platform

[🔗 Log in with your uregister account](#)

IHU UCIPS IT: it-thermi@ihu.gr

■ Step 1: Uregister account

- Activate your uregister account for accessing the e-learning platform and other university services (VPN, Uniportal etc)

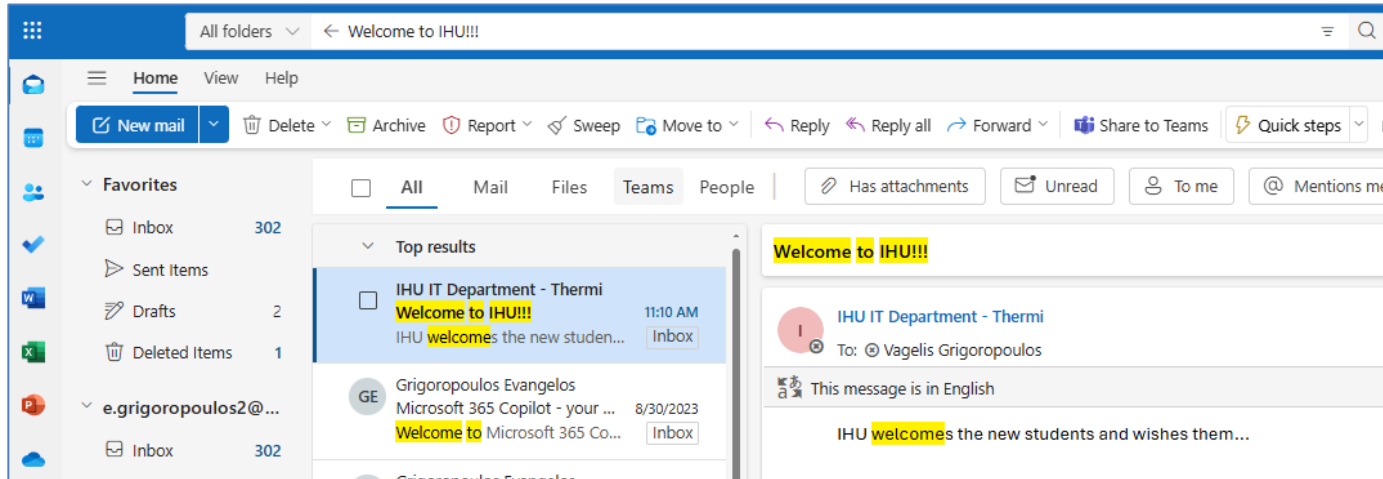

■ Step 2: Email account

- Login with uregister to the email activation platform
- Enter your personal email as a recovery e-mail for your email account
- Get your e-mail account username & password

■ Step 3

- Login to e-learning to verify that you have activated uregister account properly

■ Course layout

The screenshot displays a web-based course interface. On the left is a 'Navigation' sidebar with a tree structure. The main content area on the right is titled 'Professional Skills Development' and contains three sections: 'News forum', 'PSD I Course Material', and 'PSD II Course Material'. Each section lists course materials and submission deadlines.

Uniportal

The screenshot displays the Uniportal web interface. On the left is a dark blue sidebar with navigation links: Web Portal, Profile, Student data, Programme, Registrations, Exams, Theses, Practices, Grades, Certificates, Scholarships, and User manual. The main content area is titled 'Student data' and contains two tabs: 'Student data' (active) and 'Personal Data'. Below the tabs, there are sections for 'General data' and 'Admission Data'. The 'General data' section contains a table with student information, and the 'Admission Data' section contains a table with admission details.
