

Dear Partners and Colleagues,

We are pleased to invite you to Kauno kolegija's International Week "Connecting Minds, Empowering Futures: Data, Diversity, and a Digital Europe" on 13-17 April, 2026.

This International Week is designed for our partnered institutions to collaborate on critical themes shaping the future of European higher education: the strategic use of Data in research and innovation; promoting Diversity and intercultural competence; and accelerating the shift toward a Digital Europe. During this week participants will have an opportunity to give lectures to Kauno kolegija's students, attend conferences, participate in workshops, and overall take part in the networking sessions. Join us to strengthen our partnership, exchange best practices, and lay the groundwork for new joint projects in applied research and education.

REGISTER HERE <https://docs.google.com/forms/d/e/1FAIpQLSes4uRSkMEPe1V3lfzp-PZp8wherEVmQFBSQ5ryPnyB6TmSYA/viewform>

The registration to International Week is now open and will be active until 16 of February, 2026.

A detailed program will be provided to participants of the International Week at a later date. We kindly invite you to share this information with colleagues or partners who might be interested in attending.

If you have any questions, feel free to contact us at incoming@go.kauko.lt

We look forward to welcoming you to Kauno kolegija this April!

Warm regards,

International Week Organizing Team
