

## **EDULEARN26 Abstract Deadline Extended - 26 March**

Dear colleague,

We are pleased to confirm that the abstract submission deadline for EDULEARN26 has been extended **until 26 March**.

EDULEARN, one of Europe's largest international education conferences, brings together more than 800 experts and researchers each year. This 18th edition will take place in the beautiful city of Palma de Mallorca, Spain, from 29 June to 1 July 2026.

The conference programme will feature oral and poster presentations, keynote addresses, interactive workshops, and networking activities, creating many opportunities for meaningful discussion and collaboration. For those unable to travel, virtual participation will also be available.

You are invited to submit your abstract at: [https://iated.org/edulearn/online\\_submission](https://iated.org/edulearn/online_submission)  
All accepted abstracts and papers will be published in the EDULEARN26 Proceedings, indexed in the [IATED Digital Library](#), and assigned a DOI number.

To get a glimpse into the EDULEARN experience, you can watch this [short video](#). We would be delighted to welcome you to this vibrant academic community working together to shape the future of education!

Best regards,

**EDULEARN26 Technical Secretariat**
