

Dear Colleagues

Join the "**International Conference on Education, Technology and Policy 2027**" (ICETP27), a fully online international conference taking place on 8–9 June 2027.

Under the theme "**Learning Innovation and Teaching Practice in the Age of AI**," ICETP27 brings together academics, researchers, educators, policymakers, doctoral candidates and practitioners to discuss the future of education, AI, digital learning, quality assurance, inclusion and sustainable development.

Abstract submission deadline: Monday 26 October 2026

Conference dates: Tuesday 8 and Wednesday 9 June 2027

Submit your abstract and contribute to this important international conversation on education, technology and policy.
