INTERNATIONAL
HELLENIC
UNIVERSITY

**Strategic Planning Unit
MIS Code 6038567**

Support for the Strategic Planning Unit of the International Hellenic University is provided through Subproject 2 of the Operation entitled “Quality Assurance, Strategic Development, Teaching and Learning Support Services for Members of the Academic Community, and the Digital Governance Unit of the International Hellenic University”, with MIS Code 6038567. The Operation is included in the Programme “Human Resources and Social Cohesion 2021–2027”, under Priority 3 “Education and Lifelong Learning”.

The objective of the Operation is to support the Quality Assurance, Strategic Development, and Teaching and Learning Support Services for members of the

academic community, as well as the Digital Governance Unit of the International Hellenic University.

The Operation is implemented through the following five (5) individual Subprojects:

- 1) Quality Assurance Unit of the International Hellenic University
- 2) Strategic Planning Unit of the International Hellenic University
- 3) Teaching and Learning Support Centre of the International Hellenic University
- 4) Digital Governance Unit of the International Hellenic University
- 5) Procurement of Equipment and Software.

Subproject 2, entitled “Strategic Planning Unit of the International Hellenic University”, includes the following Work Packages:

- **WP 1: Support for IHU’s Strategy and its Operational Implementation**
- **WP 2: Development of the Unit’s Operational Capacity**
