

Dear colleague,

Next March 2027, hundreds of educators, researchers and professionals from across the world will meet in Valencia to exchange ideas, present new approaches and discuss the challenges and opportunities shaping education today.

We invite you to be part of INTED2027, the 21st International Technology, Education and Development Conference, taking place from 9-11 March 2027 in Valencia, Spain.

At INTED2027, you can share your research, innovative teaching practices or educational experiences with an international audience.

You can choose the format that best suits your contribution: oral, poster or virtual presentation.

Abstract submission deadline: 19 November 2026

Submit your abstract at: https://iated.org/inted/online_submission

Beyond the presentation sessions, INTED2027 will offer keynote talks, practical workshops and networking opportunities, creating three days dedicated to learning, exchanging experiences and making new international connections.

All accepted contributions will be published in the INTED2027 Proceedings, included in the IATED Digital Library, and assigned an individual DOI.

We look forward to receiving your contribution and welcoming you to INTED2027 next March.

Best wishes,

INTED2027 Technical Secretariat
