The Stavros Niarchos Foundation Bioethics Academy (SNFBA), a collaborative program of the Johns Hopkins Berman Institute of Bioethics and the ETH Zurich Health Ethics & Policy Lab, invites applications for the **2026 SNFBA Foundations in Bioethics Course**.

Applications close on **20 September 2026**.

Attendance is free of charge and places are limited.

Athens

Dates: 30–31 October 2026

Venue: Goulandris Museum of Natural History

Application deadline: 20 September 2026

Who is this course for?

The course is designed for anyone who wishes to build a solid foundation in bioethics, from students and trainees to established professionals:

- Medical students in their final years of University (4th, 5th, or 6th year)
- Senior students of biology, psychology, nutrition, law or biomedical sciences
- Junior resident doctors and early-career biomedical research or lab staff
- Physicians and clinical researchers from mid-career
- Biomedical researchers or lab heads
- Hospital administrators and public health professionals
- Members of research ethics or clinical ethics committees
- Academics or educators engaged with health-related disciplines
- Legal and policy professionals with an interest in bioethics

What are some of the themes of this year's course?

- The Birth of Bioethics and the Rise of Autonomy
 - Law, Policy, and Bioethics
 - Health, Digital Technologies, and Bioethics
- and more

What will you gain?

- Introduction to core bioethical principles and frameworks
- Practical case studies drawn from medicine, biomedical research, and public health
- Interactive discussions with world-renowned experts in bioethics and networking with peers

The SNFBA Foundations in Bioethics Course is organised by the Stavros Niarchos Foundation Bioethics Academy (SNFBA), a program of the Johns Hopkins Berman Institute of Bioethics and the ETH Zurich Health Ethics & Policy Lab, supported by a grant from the Stavros Niarchos Foundation (SNF).
